From: Dr Allen Fraser
Date: 30th March 2020
Subject: Mental Health Hearings and Client Visits

Dear Colleagues,

The health and wellbeing of our people is our top priority.

To comply with COVID-19 alert level 4, we have restricted visitor numbers to Te Whetu Tawera. To help achieve physical distancing we are converting appointments, meetings and Judicial Hearings online via different platforms.

Please arrange meetings with your clients over teleconference or other methods.

We are all in this together and appreciate your on-going support.

Kind Regards,

Dr Allen Fraser
Director of Area Mental Health Services
Auckland District Health Board
