

Kia ora,

**Please cascade the memo below to all relevant staff.**

Kia ora koutou,

A new form has had to be created due to the current situation; any service user who will be required to attend Court for a Judicial review is now required to consent in writing to Audio Visual Link to communicate with the appointed lawyer and also to acknowledge that the Judicial Hearing conducted by a Judge will be by Audio Visual Link.

Please ensure that this form is filed along with the authorisation / request to access clinical records form and a copy is sent through to the DAMHS Office.

Should you have any queries, please contact the DAMHS Coordinator.

Thank you for your on-going support.

Nga mihi nui

Addendum:

With the room available to use for HCC during lockdown, it may be subject to availability (that's why call in advance) and there may be possibility of short notice changes if we have any admissions and coming in to the unit.
