

HIGH COURT OF NEW ZEALAND

SUBJECT: Procedure - Second Appearance of Category 4 Offences in the High Court over the Christmas Period 2021-2022

As at 24 November 2021

This memorandum explains how the second appearance of a Category 4 offence in the High Court will occur for December 2021, January 2022 & February 2022.

When a defendant is charged with a Category 4 offence, the second appearance is to be held in the High Court within 15 working days from the defendant's first appearance in the District Court, although rule 1.7 of the Criminal Procedure Rules 2012 allows time-frames between CPA hearings to be extended.

Normally, a specified day of the week (and time) is set aside in each High Court registry to deal with any required second appearances.

These arrangements need to be varied for late December 2021 and January 2022.

With only limited exceptions, the High Court does not sit from 20 December until 31 January. Section 5 of the Criminal Procedure Act 2011 (CPA) (interpretation of a working day) excludes days in the period commencing on 25 December in one year and ending on 15 January in the next year from being counted as working days.

Procedure

There will be no second appearance hearings for Category 4 offences after Friday 17 December 2021 and before Monday 17 January 2022 (a 4-week break).

Outside that period, second appearance hearings will take place in December 2021, January 2022 and February 2022 as shown below. Hearings will be scheduled for 9.00 am unless otherwise advised.

Hearings required in the circuit registries from 20 December to 31 January will have the judge appearing by AVL.
